Steven Payne

Steven Payne

Steven Payne now lives and teaches Argentine tango in Portland, Oregon. He has studied with, to name a few, Christopher Nassopolous and Caroline Peattie, Susana Miller, Luciana Valle, Eric Jeurissen, Brigitte Winkler, and Tomas Howlin. He has traveled to Argentina and danced in Buenos Aires where he was impressed by the richness of tango culture and the dance's endless improvisational possibilities. As dancer and musician, he is passionate about partner connection, dancer comfort, and musicality. He has been teaching tango for almost four years. In his teaching, Steven stresses organic techniques that allow students to build their own dance on fundamental principles in concert with the music and dynamic flow of the dance floor.
