

Argentine TANGO with

Tomas Howlin and Shorey Myers

Native of Buenos Aires, Tomas brings and shares 12 years of teaching and performing in Argentina, North America and Europe. He dances and teaches authentic Argentine Tango and has been privileged to study with the greatest teachers of all time. His knowledge and pedagogy are unique and exceptional. He believes in a natural, comfortable and thoughtful tango; a way of dancing that is unique for each person. One of the most sought and popular teachers in North America, Tomas is known for his sharp eye, gentle humor and accessibility.

Coming from a background in martial arts and classical music, Shorey works to make her dance as clean, fluid, and musical as possible. She counts among her strongest influences Jaimes Friedgen, Cecilia Gonzáles, and Alex Krebs. Besides being an accomplished dancer, Shorey is recognized for her skill as a DJ. She travels extensively to DJ at festivals and milongas and loves to keep both traditional and alternative crowds dancing all night long.
