

# 2009 Mountain Retreat

## BRIGHTON LODGE

# & Tango Workshop with Steven Payne

Steven's Argentine Tango roots stretch back to Salt Lake City, Utah where he learned, taught, and organized tango for several years. He moved to Portland, Oregon in 2002 and has been teaching tango there since that time. His unique style and passionate musicality have been nurtured by Christopher Nassopolous, Susana Miller, Luciana Valle, Tomas Howlin, Brigitta Winkler, and many others. Buenos Aires impressed Steven with the richness of tango culture and the seemingly endless variety of movement that this "street music" of the City can engender.

In his teaching, Steven likes to stress an organic tango technique where students of any level can enjoy meaningful movement, inspired by their partners, the music, and by the vibrant flow of the dance floor.
