

# Argentine Tango

WITH TOMAS HOWLIN AND  
CARRIE WHIPPLE

Native of Buenos Aires, Tomas Howlin is a professional Argentine Tango dancer, performer, and teacher with near 20 years of experience. Tomas has developed a unique method and approach grounded in his Argentine cultural roots. Tomas' students have described him as an inspiring teacher who makes tango accessible and dancing it a continually renewed experience. He has created a bridge linking traditional tango with the newer styles

Carrie (not in photo) has been dancing for as long as she can remember. After a three year apprenticeship with Alex Krebs, Carrie began her full time professional tango career, and has since led a charmed tango life, teaching and/or performing with several of the most talented dancers in the US, including Homer Ladas, Robin Thomas, J. Abling, and Jaimes Friedgen in Portland, Seattle, New York, Washington DC, Boston, and San Francisco
