

Argentine Tango with

Brigitta Winkler

"Tango has begun to seep into my body as deeply as Authentic Movement. In Brigitta Winkler, I have discovered not only a wonderful tango teacher, but a woman trained in Body Mind Centering and group improvisation. I have witnessed her take a hundred nervous strangers and transform them into a group with one or two simple warm-ups emphasizing contact. Her approach inspired me. The mingling of Authentic Movement and Tango, so polar in their outer form, has made a spicy new soup of experience within my conscious body. It seems to me that any beginning may summon our original beginning. For a continuity of being to begin to unfold, it takes two." Jeanne Marie Castle, It Takes Two, A Moving Journal, Ongoing Expressions of Authentic Movement, Volume 7, Number 2, Page 8, Summer 2000

Brigitta is an internationally acclaimed teacher and works frequently in over 30 cities in the USA, including: Albuquerque, Anchorage, Atlanta, Boston, Cincinnati, Denver, Eugene, Hawaii, Houston, Kansas City, Los Angeles, New York City, Philadelphia, Pittsburgh, Portland, Salt Lake City, San Francisco and Seattle.
