

Argentine TANGO with

Ney Melo & Jennifer Bratt

NEY MELO

Ney Melo is among the best of the new generation of Argentine Tango dancers. His dance evolved from experience in the milongas of Buenos Aires and extensive study with masters of the Villa Urquiza and Nuevo styles. He is internationally recognized and highly respected for his innovative teaching methods and passion for teaching. He has taught tango workshops in Singapore, Malaysia, Romania and Australia as well as the Portland Valentango, DC Tango Marathon, and Toronto TangoFest.

JENNIFER BRATT

Jennifer's movements are defined by a natural grace and expressive fluidity; her sharp embellishments and articulate feet are often compared to those of the renowned Alicia Pons. Emphasizing technique and employing vivid images her teaching focuses on posture, connection, and musicality. She advises followers on how to be simultaneously relaxed and alert and works with them to develop the delicate balance between being too light and too heavy.
