11:00 am – 12:00 pm	Patricia Becker. "Awareness Through Movement: in this class we use slow, mindful movements to achieve powerful effects in terms of strength, flexibility, and holistic integration of body and mind. By attending to the improving quality of movement, unnecessary muscular tensions throughout the body can reorganize and release. Awareness Through Movement teaches you the secrets to reducing unnecessary muscular effort and improve your awareness of your whole self in action. This emphasis on sensory learning results in movement and vitality that are more flexible, pleasurable and free from aches and pains" (\$10) Please BYO yoga mats, towels or blankets
